

George Mason University Korea seeks applicants for a one-semester appointment (with possibility for renewal) for a part-time instructor to teach elementary and intermediate Spanish. Minimum requirement is an M.A. in Spanish or a related field, but Ph.D. is preferred. Candidates should also have at least two years experience teaching Spanish at the university level. The position begins the week of August 14. Candidates must be authorized to work in Korea.

To apply:

Applicants **MUST** submit the following documents by gmukhr.gmu.edu

- A cover letter that explains your interest in the position and highlights your teaching, research, and any other relevant experience;
- Current curriculum vitae;
- At least three references with full contact information. References will not be contacted without consent from applicants.

Application materials should be received by July 10, 2017, and review of materials will begin immediately thereafter.

About George Mason University Korea:

George Mason University Korea (GMU Korea) is an extended campus of George Mason University, which is located Fairfax, Virginia, in the United States. GMU Korea is located on the Incheon Global Campus (IGC) in the community of Songdo, Incheon, Korea. GMU Korea opened its campus in March 2014. Since then, the enrollment of the campus has grown by more than tenfold. GMU Korea students receive the same George Mason University degree as the students in the United States and spend one year on the Fairfax campus, near Washington DC. Faculty come from the US campus and about half a dozen countries around the world. Current degrees offered include accounting, finance, management, economics, and global affairs – all ranked in the top 100 in the world. In 2017-18 GMU Korea will add a graduate degree program in systems engineering, as well as an undergraduate degree in conflict analysis and resolution.
